United by Creativity

1. Project Summary

Title: United by Creativity

Target Group: Students aged 17–18 (final year of secondary school)

Mobility: 5 days in León, Spain

Main Goal: Promote European values, creativity, and intercultural cooperation through art.

2. Project Context & Objectives

Context:

Students have strong interest in art, culture, and European topics, but limited opportunities for international collaboration. The project fosters creativity, communication, teamwork, and European citizenship.

Objectives:

- Encourage creative expression through art
- Develop intercultural understanding and respect
- Improve English communication skills
- Strengthen teamwork in an international context
- Raise awareness of European values (democracy, inclusion, diversity, solidarity)

3. Participants & Inclusion

Participants: 6 students + 2 teachers

Inclusion:

- Equal access for all students
- Support for students with fewer opportunities
- Adaptation to different learning styles

- Safe and respectful environment

4. Planned Activities & Mobility Programme

Before Mobility:

- Project introduction and preparation sessions
- Language and cultural preparation
- Artistic idea planning

Mobility Programme – León (5 Days):

Day	Activities	Focus
1	Arrival, welcome session, ice-breakers	Integration, intercultural awareness
2	Creative workshops ("Who We Are in Europe"), visit Cathedral	Identity, creativity
3	Digital/multimedia art workshop, group work	Cooperation, teamwork
4	"Art as a Voice for European Values", visits, reflection	European citizenship, active participation
5	Final exhibition/presentation, certificates, farewell	Dissemination, reflection

After Mobility:

- School presentation of results
- Digital exhibition or portfolio creation
- Reflection and evaluation

5. Learning Outcomes & EU Key Competences

Competence	Learning Outcomes
Multilingual	Improved English communication
Cultural Awareness	Appreciation of European diversity and heritage
Social & Civic	Understanding European values; cooperation; empathy
Digital	Creation of digital art and multimedia content
Learning to Learn / Personal & Social	Autonomy, confidence, teamwork, problem-solving

6. Risk Assessment & Safeguarding

Risks: Travel delays, health issues, language barriers, cultural misunderstandings, student misconduct, emotional stress, digital safety.

Mitigation Measures:

- Teacher supervision
- Insurance and emergency plans
- Behaviour agreement and code of conduct
- Intercultural preparation and daily reflection sessions

Safeguarding:

- Respect for all participants
- Safe, inclusive environment
- Clear reporting procedures

7. Selection Criteria & student Application Form

Selection Criteria: Motivation, responsibility, communication skills, inclusion & diversity.

Student Application Form: Includes motivation, interests, commitment statement, and parent approval.
